I will

I will draft something and send it to her as a courtesy copy. I can coordinate with her in the morning to discuss a reporting strategy.

As this situation continues to develop, we need to begin a regular reporting schedule to assure that the most current and accurate information is being passed up the line.

I think single update needs to be available first thing tomorrow.
Ragan/Steve, Please collaborate on staffing and coordination to accomplish this.

Thanks.

Los Alamos County and Town of Los Alamos is under a mandatory evacuation order. All to "proceed in an orderly fashion".
